

Premium *SunStreet* for External screen

- Fire Retardant : M2 Equivalent, NFPA-701
- Breathability : Natural air ventilation & air cooling
- Energy saving
- Easy to clean
- Anti Mildew
- Salt Proof
- Warranty : 5 year conditional warranty against colourfastness
- Durability based on excellent abrasion resistance
- Long Life Time

Anti Mildew Test Result

Technical Information

YARN	Average Values	Remarks
Composition	Coated Yarn 100%	Vinyl + Polyester
Diameter	0.60 mm	840de core yarn
FABRIC	Average Values	Remarks
Weight	597 g/sqm	
Thickness	0.93 mm	
Fabric count	21.8 x 18.8	ends x picks
Tensile Strength	255 x 217	daN/5cm
Tearing Strength	31.5 x 2.2.0	daN
Colour fastness	7~8 grade	ISO 105 B02
Fire resistance	Meet	NFPA 701
Anti biosis	No growth	ASTM G21
Openness factor	15%
